FAITH CONNECTION
In the Sacrament of Holy Orders, the Church receives priests who build up the Body of Christ. In this project, children will show some of the ways that priests serve the People of God.

Directions:

1. If using paints, cover a work surface with newspapers.
2. Have the students draw scenes that reflect the ministries of a priest. Some areas to cover are administering the sacraments, ministering to the elderly, visiting the sick, leading others in prayer, preaching homilies, and teaching.
