Ways of Being Like Jesus

Jesus brings healing and peace to others. *Give words of comfort to those who are sick and help with their needs.*

Prayer

Jesus, thank you for the sacraments so that I can experience your presence in my life and receive your blessings.

With My Family

Activity Gather in a circle and have each person say one blessing he or she feels that day. Go around the circle until each person calls out a blessing, without repeating.

Faith on the Go Ask one another: *If you could bless one person with any gift you wanted, whom would you choose, and what would you give?*

Family Prayer *Father, our family is blessed with so many gifts. Thank you for your loving friendship. Help us stay close to you through the sacraments.*
