

Faith Summary

With the help of the Holy Spirit, we can live in peace, harmony, and justice with others. We share God's love by caring for others. Saint Louise de Marillac cared for those who were poor through the Sisters of Charity. Obeying and respecting your parents is a way to show that you care about your family.

Ways of Being Like Jesus

We can share God's love by helping others. *Offer to do a chore, such as shoveling snow or raking leaves for someone who needs your help.*

Prayer

Jesus, help me always to be aware of those who need me so that I can serve others as you did.

With My Family

Activity As a family, meet together once a week to share plans and to discuss anyone's concerns.

Faith on the Go Ask one another: *When you have differences, what is a good way to work them out?*

Family Prayer *Dear God, help our family to always be fair and respectful to one another. Amen.*
