

## Faith Summary

God's love is revealed in the gift of creation. He created each human being with a soul and gave us free will. It is with our souls that we appreciate what God has created. We can use our free will to make good choices to care for the gift of creation.

### Ways of Being Like Jesus

Jesus loved and blessed God his Father. *Show God you love him by thanking him for the gift of creation.*

### Prayer

*Thank you, God, for the wonderful gift of creation.  
Help us take care of it, just as you take care of us.*

## With My Family

**Activity** Spend time enjoying the beauty of creation. You may wish to go for a hike, to spend time playing in a park, or to go for a boat ride. Pray together, thanking God for everything he has given us.

**Faith on the Go** Ask one another: *If you could fill a backyard with one thing from God's creation, what would it be? Why?*

**Family Prayer** *Dear God, bless our family, a part of your creation. Help us use our free will to choose to care for everything you have given us. Amen.*
