

Faith Summary

We can joyfully celebrate Jesus' birth during the Christmas season by sharing his light with others. The songs that we sing at Mass during Christmas remind us of the peace that Jesus' birth brings to the world.

Ways of Being Like Jesus

Jesus shares God's love with us. *Share God's love with others by sharing a sign of peace with your family members.*

Prayer

Dear God, thank you for giving us the wonderful gift of your Son, Jesus. Teach us how to share your generosity with others.

With My Family

Activity Make a loaf of bread together. Send it, along with a note, to a family member you will not get a chance to see during the Christmas season.

Faith on the Go Ask one another: *What is one way you can be bread for others during the Christmas season?*

Family Prayer *Thank you, God, for sending us your Son. May we show our thankfulness for this gift in how we treat others.*
