

## Faith Summary

Commandments Seven through Ten help us live in good relationship with others. The Seventh Commandment teaches us that stealing is wrong. It also requires us to honor our promises. The Eighth Commandment tells us to be truthful in what we say and do. The Ninth and Tenth Commandments warn us about coveting what others have.

### Words I Learned

**covet**  
**temperance**

### Ways of Being Like Jesus

Jesus teaches us the importance of respecting others. *Show respect for others by treating their belongings as you would your own.*

### Prayer

*God, thank you for being generous with your gifts. Help us be content with what we have and share with others as you share with us.*

## With My Family

**Activity** We often make lists of what we want. Together make a list of things you have. Pray a prayer of gratitude, and make a plan to share what you have with others.

**Faith on the Go** Ask one another: *What are some things that you do not need, but want to keep? Why do you want to keep them?*

**Family Prayer** *Dear God, help us make choices that are moderated by temperance.*
