Ways of Being Like Jesus

As a Jewish boy, Jesus learned to read the books of the Old Testament and probably memorized many of the psalms. *Pray the psalms and pray the same words that Jesus prayed.*

Psalm 100, Laura James, 2004, acrylic on canvas.

Prayer

Father God, thank you for giving us the psalms as prayers to help us communicate with you about the struggles and pleasures of life.

With My Family

Activity Choose a psalm for your family to study and pray for the week. At the last meal of the week, pray the psalm together and discuss it.

Faith on the Go Ask one another: *What is your favorite way to talk with God?*

Family Prayer *Heavenly Father, grant us wisdom to face all of life's challenges.*
