Ways of Being Like Jesus

When Jesus lived on the earth, he learned to trust God. God asked Jesus to do some very difficult things. Jesus prayed when his trust in God was put to the test. *When your trust in God is challenged, pray as Jesus did to find strength.*

Prayer

God, thank you for the story of Abraham and Sarah. You keep your promises and do great things for us. Help me always to trust in you.

With My Family

Activity Together write a special prayer asking God to help your family have hope in his promises. Post the prayer on the refrigerator or another place where everyone can see it as a reminder to trust God every day.

Faith on the Go Ask one another: *When you are worried about friends, school, or family, what can you do to show that you put your trust in God?*

Family Prayer *Dear God, help us put our trust in you when we face challenges in life. Amen.*
