Ways of Being Like Jesus

Jesus helped people when they were sick or in need. *Treat people kindly. Offer to help others, even when you are busy.*

Prayer

Jesus, thank you for showing me how to help others. Let me care for others like you did so I can grow closer to you.

With My Family

Activity Decide with your family what you can do together to help others. Some choices are making a food basket for a family in need, shopping for a wish-tree gift at Christmas, or helping a sick or elderly neighbor with chores around the house.

Faith on the Go Ask one another: *If you could help one person, whom would it be? Why?*

Family Prayer Pray the Sign of the Cross and the Glory Be to the Father with your family. Then spend a few minutes talking about the Trinity.
