

My Confirmation Songs

The Disciple's Song

Verse 1

There is a way, and it calls to me
To follow Jesus, and see what he sees
To know the Father and the Spirit, too,
And strive to do what they would do.

Verse 2

Though life is hard and the trek is long,
My God is good, and he makes me strong.
I want to live in a way that is free
And give to all as God gives to me.

Verse 3

God loves the people of every land.
With all in need, I'll make my stand.
For they're my sisters and my brothers, too.
By loving them, I love God too.

Verse 4

The road is narrow, and the pathways steep,
The Shepherd seeks every wayward sheep.
I have no fear, though I may roam,
My God is near, and leads me home.
