Saints Point the Way

Verse 1

Did you know a saint
Lives a holy life?
A life of love and prayer,
A life that follows Christ.

Verse 2

Did you know a saint
Finds the joy in all?
The things that God creates,
No matter big or small?

Chorus

Saints work
And play,
And love,
And pray.
Saints act
In faith,
In what they do
And say.

To be saintly,
Act with love and care.
Remember, God is always there.

The saints are those who show the way
To grow close to Jesus day by day.

Saints point the way.
Are you a saint today?

Verse 3

Did you know that God
Is calling out to you?
You can be saintly, too,
In what you say and do.

Verse 4

Did you know that you
Can live a holy life?
A life of love and prayer,
A life that follows Christ.

(Sing Chorus)

Saints point the way.
Are you a saint today?

Saints point the way.
I'm a saint today!
